Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When the second eyelid drops and the veil is drawn back, and the seeing beyond Beyond begins, and the senses begin to sway and sing.this is the magic in the poetry of Gordon R. Menzies. Drawn from keen, lifelong observations of his fellow creatures and crafted with a unique, sensual touch directed more often than not towards the worship of the Divine Feminine embodied in all women, his words embrace the experience of living beyond the breath, beyond the tentative limits of touch we allow ourselves as we move through the world. Take up his generous glass, and drink deep.
