

## Glossary of Metalworking Terms (Paperback)

By Dick Pohanish

Industrial Press Inc., U.S., United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. As the only modern glossary of terms related to the fabrication and use of metals and metallurgy, this resource covers more than 4,000 essential general and functional terms used in all areas related to metalworking and manufacturing technology. Many entries are cross-referenced to make related topics instantly accessible. Each entry contains a cross-referencing system that makes all related topics instantly accessible. In addition, each topic is defined as far as possible in basic terms, and then every key word important to the explanation that is defined elsewhere in the book is underlined to serve as a reference to the article on that subject.
