Do you have it in you to read people correctly through verbal and nonverbal clues they are continuously and subconsciously giving away? The magic weapon to understanding and helping people is to identify their inner feelings and emotions. People who are able to identify the feelings of others and channel them in the right direction can be wonderful leaders. It will not only help your personal relationships, but it will also increase your professional performance and social skill. Do you believe everything we need to know to succeed in life is taught to us in educational institutes? Unfortunately not. The real skills that we need to do well in our daily life are communicating with different personalities and developing emotional intelligence. We sharpen our emotional intelligence when we learn to deal with different types of people. These are the skills that draw a line between average and exceptionally successful people. Like many skills we hone in life, people reading isn't something that comes naturally to us. It is an art that is developed through consistent observation, practice and effort. You need to consciously practice reading people and gain insights into their personality using the tips mentioned in this handbook. Here is a sneak peek of what you can expect: Proven strategies for studying a person's body languageThe body language of attractionDeciphering types of personalities to better understand peoplePower-packed tips for communicating with each personality typeNear accurate tips for spotting deception, manipulation and liesand much, much more So, what are you waiting for? Grab your copy today and dive into the world of human psychology and behavior!.
