By Cheri Wood

BookBaby, 2017. Paperback. Condition: New. Language: English . Brand New Book. What is the simplest, most profound way to impart life lessons to a child? Imaginative stories--told through the experiences of benevolent, engaging characters--are fun for both parent and child. In Dandelion Wishes, the characters are all from nature or fairy tales: dandelion seed heads, ladybugs and leopards, fairies, mermaids, kittens, conch shells, and more. The fable-like morals are familiar and treated lightly so as not to preach. Here are some of the delights your child will discover: Enjoying the ride while sailing through change There s more to a person (or a bear!) than appearances Everything feels better when you smile Friends come in all shapes, sizes, colors, and aromas Taking a risk (even though you re scared) brings good things Being yourself is the very best thing you can be 16 stories for children who enjoy being read to by their parents, and for children who enjoy curling up with a good book on their own.
